Message Notes

Listen to Jesus. Do what He says.

Serving is what makes a lasting impression.

Serve as a sign.

Loving others as Jesus has loved you is how the world will see that Jesus is worth following.

SCRIPTURE

John 13:33-35; 1 Corinthians 13:1-3; Matthew 22:34-40

Discussion Guide

ENGAGE

1. Share about the most recent time you remember having to make a good first impression.

Read John 13:33-35. Why do you think Jesus said he would only be with his disciples a little longer?
2. before giving them a new commandment? What was the new commandment?
3. "As I have loved you, love one another." (v. 34) What are all the ways you can think of that Jesus loved his disciples? What would it look like for the disciples to love others that same way?
4. How is "loving one another" the proof (the sign) to the world that you follow Jesus? Why do you think this matters?
5. Share a story of someone making an impact on your life by they way they served you.

APPLY

Listen to Jesus. Do what He says.

Share how Jesus has directed you to serve. If you haven't heard from Jesus yet about how to serve, then spend time as a group listening to Jesus - asking him how He's inviting you to serve. Then, make a plan to do it.
