PRACTICAL WISDOM FROM PROVERBS

Generosity Always Wins

Brian Montague | November 19, 2023

Message Notes

3 Mindsets God had to disassemble for Brian:

1. Rich people are greedy. Poor people are lazy.
2. Generosity is about more than my money.
3. I am already generous.

Lord, how would you like me to grow in my generosity?

Discussion Guide

ENGAGE

1. What is the most meaningful gift you've ever had a child give you?
2. When it comes to talking about your money do you tend to: cringe, avoid it, lean in, get excited, etc? Why? How do you tend to feel when it comes to God talking about your money?
3. Proverbs 11:24-25. What does this passage say about generosity? Do you believe its true? Do you live like it's true? Why?
4. Did any of the 3 mindsets Brian shared resonate with you? How so? What might God be saying to you in that? Are there other mindsets about money/generosity that God may need to address in you?
5. What is one thing (a person, a cause, a ministry, etc.) that you wish you could financially support in a crazy huge way? In what small way (or big way) can you financially give to that thing today?

APPLY

Set a reminder on your phone at 8am to repeat daily with the question "Who can I bless?" Let this be both your prayer and your invitation for God to use the finances you have to bless others.
