# Discussion Guide

## ENGAGE

1. Share about a time when you felt uncomfortable? Who was there? What were the circumstances?
2. What is your natural tendency in circumstances where you feel uncomfortable?
3. Read Exodus 2:23-35. What do you see of God's character from these verses? What is the relationship dynamic between God and his people?
4. Does the character of God revealed in these verses match your experience/picture of God? What is similar and what does not line up?
5. What evidence can you look for in your life as examples of God's consistent character? (If you identified "God hears his people" as a character point, how do experience God hearing you?)

## APPLY
